DIABETES CHECKLIST

In an effort to plan for the care and oversight of your child's diabetes during the upcoming school year, we ask that you make sure the following items are submitted to the health office by **the first day of school**:

1. New Medication Orders & Diabetes Mgt. Plan obtained & signed by your child's doctor.
2. Glucagon Injection Kit (with valid expiration)
3. Insulin backup
4. Insulin syringes or pen
5. Meter (with test strips)
6. Ketone test strips
7. Snacks (for health office & backpack)
8. Glucose tabs
9. Extra reservoirs, pods & tubing setups for insulin pumps
10. Emergency contact information (parent & MD)

Please keep adequate supplies available in the Health Office throughout the year. Call with any new adjustments for student's care and please feel free to call or email with any questions or concerns that may arise.

Thank you for your cooperation.
